

Morley-IAS by Honeywell InfoPoint App

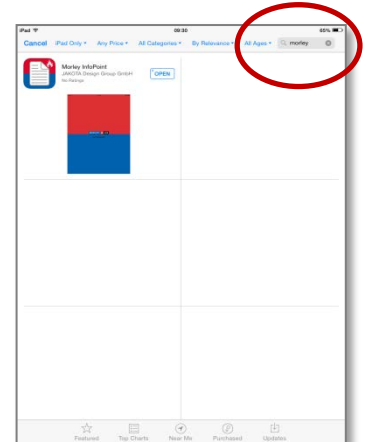

Instruction Guide

STEP 1

Download 'Morley InfoPoint' from the App Store.

(Type in 'Morley InfoPoint' into the search bar or click on the link below)

<https://itunes.apple.com/gb/app/morley-infopoint/id809625765?mt=8>

STEP 2

When the app has downloaded

Select 'UK and Ireland'

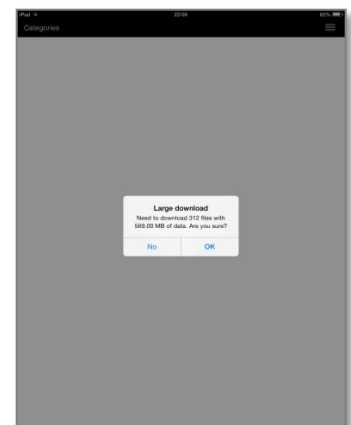

Click 'Done'

STEP 3

A 'Large Download' message will appear.

Ensure you have enough space on your device and select 'OK'

STEP 4

You now have access to all of Morley's up to date information.

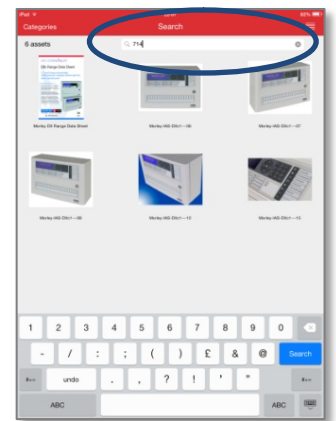

Whenever a new piece of collateral is updated and uploaded, a pop up message will appear asking you to 'download more information'. This will indicate that new items has been added to the database.

SEARCH FACILITY

An intelligent search facility has been built in to the app.

In the 'Search' bar, if you type in a part number or begin typing in a product name, all pieces of information relating to this will be displayed; images, datasheets, brochures etc.
